Vaccine was administered by Dr. Thomas F. O'Connor, M.D.		

I am happy to report that there were no cases of Polio in Winchester during the 1960 Polio Season.

Eye surgery was done for two children through the courtesy of the Keene Lions Club.

A generous amount of purchase orders for new clothing for children and toys were distributed by the Winchester Kiwanis Club. The Winchester Firemen, Sunny Valley Club and Miriam Rebecca Lodge donated gifts to be given needy children at Christmas time.

Three Thanksgiving Food Baskets were donated by the Veterans of Foreign Wars and one by the Youth Fellowship and delivered by the nurse. The Legion Auxiliary also donated and delivered a Food Basket.

March 30th a complete inspection for pediculosis was done at the Ashuelot School and Instructions to the Parents needing it.

A Social Service file has been started that will be helpful when Organizations wish for Charitable work to do.

The Ladies' Society of the Federated Church purchased clothing for a new baby in need of same.

An Emergency Shelter was set up during Hurricane Donna September 12th in the South Church.

I sincerely appreciate the assistance of members of the District Nurses' Council and other interested citizens during the year and especially at the Polio Clinics.

Respectfully submitted,

NELLIE M. BLICKER, R.N.
District Nurse

COMMUNITY CENTER REPORT

I wish to submit the following annual report of the Ellen Lambert Murphy Memorial Community Center recreation program for 1960.

The total number of children and adults handled directly by the Community Center program was 19,344. This number was arrived at by taking the attendance each day at the height of activity. This does not include the rentals and the free usage of 478 times that veteran, fraternal, civic, school and other organizations have made use of our facilities. These facts, too numerous to mention, could be broken down but due to the limited space allowed for this report we are giving you only a general summary. We have loaned 876 chairs, 25 tables, 44 cups and saucers, plates, knives, forks and spoons which I am happy to report have all been returned. I wish at this time to make known that the above mentioned loaned articles are available to any responsible persons or groups that find need for them.

We wish to report at this time that our bowling leagues have been quite successful. The season ended with a banquet and awards in conjunction with the Sportsmen's Club which is under the capable direction of Richard Durkee and Ralph Gregory, Jr. Our Tunes for Teens dances were very successful with a final formal ball which crowned June Hodgeman and Richard Ashley as King and Queen. The Halloween party given in conjunction with the hardworking Kiwanis Club was also a big success. Our Christmas party was also very successful. Candy, soda and free movies found 123 children attending in a very gay mood. As usual Santa rode in on a fire truck and greeted the children. Thank you, Chief Croumie, for an assist in this party! We even took a step into the entertainment world in the form of one teen-age review. Our kids performed in such a way as to bring pride upon themselves. They were really great!

Our Day Camp had a total registration of 134 children. This also was very successful. Camp-outs, trips, swimming, arts and crafts and games gave the children a well rounded program. Once again I wish to thank the wonderful staff who worked so hard without compensation of any sort for making this program so successful. Without them I would have been lost. For every dollar taken in, it cost us \$1.94 to maintain a child in Day Camp. Our physical education and organized play classes for the children at the Community Center school classes is really enjoyed by the 47 students involved. We wish that it were possible in the near future to include the students at the Center School.

Our ice skating rink has been a gigantic success. Several skating parties have been held in which I have been assisted by Mrs. George Thompson. Sandwiches and hot chocolate were served to large groups. There is no doubt in my mind that our teen-agers do love to eat.

Our bowling this year is really a big event. Since the installation of the automatic pin-setters we find that more people than ever are enjoying the use of the alleys. Several leagues are now using the alleys. Mr. Will Mason, who is managing the alleys is certainly putting in a lot of time and effort and deserves much credit.

Our future plans for the Center are somewhat the same as last year with a few exceptions. Roller skating, picnic tables, snack bar, swimming pool, basketball, organized softball and a toboggan slide are among the planned musts for the Center to operate successfully. Day dreams? Maybe! The swimming pool blueprints and architectural drawings are already in our possession and plans are now being formulated to raise the necessary funds for its erection in memory of the late Governor Francis P. Murphy.

Your Community Center is the envy of the entire South West District, a position that we should all hold on to very dearly. We should all strive to maintain this position by improvement to the present facilities. We realize that all can't be done immediately but we can improve gradually. The future plans of your center are in existence. It is a long range plan. There is no question in my mind that these plans will be carried out. I have always believed and always will, that a Community, irregardless of size, which is willing to work together for a common cause can accomplish anything they set out to do.

Respectfully submitted,

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

CORNELIUS WOOD

District Chief

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes from moving vehicles — make sure they are out — use your ash tray.
5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

646 new books were added during the year.

This has been a very eventful year for Conant Public Library. In January, I appointed a local committee to plan and carry out our National Library Week program. The committee members were Miss Katherine Judson, Chairman, Miss Ruth Kellom, Miss Beverly Herman, Mrs. Sophie Boyd, Mr. Louis Blicher, Mr. Bernard Gallagher, Mr. Richard Kossakoski and myself. As a pre-National Library Week activity we conducted a Family Reading Contest. A prize went to the family reading the most books during the month of March. The John Byrne family received the prize, a New World dictionary, given by the V.F.W. National Library Week was observed April 3rd to 9th. The library was open every afternoon and evening of the week in spite of the 14 inches of water in the cellar part of the time, which meant, no heat. The theme of our observance was a Salute to the Polish and Polish-American citizens of Winchester. An exhibit of articles brought from Poland filled the Adult Reading room. On Monday I was invited to appear at the local TV to discuss our program. I took Miss Mary Rose Krusiewski, dressed in native costume and many articles from the exhibit. On Friday evening, a Polish and Polish-American Citizens' night was observed. We showed a movie on Poland and others on Canada. Music by Polish composers was played on the Hi-Fi. Seven new titles were added to our Polish Book shelf and we are currently subscribing to a Polish magazine. Other highlight activities during the week consisted of a used book and record sale, all books and records being contributed by townspeople. This sale was continued for a few weeks in the summer. The profit from these sales is to go to purchase a Hi-Fi record player for the library. We now borrow one occasionally. An essay and illustration contest was open to the schools of Winchester and Ashuelot with prizes of books. This was made possible by the generosity and interest of the citizens of the town. Attractive book displays filled six store windows, tying in with the merchandise carried in the store. Movies were shown to the children in the elementary grades both in Winchester and Ashuelot. Sending in a detailed report to the State Committee, entered us in the state-wide contest for the best National Library Week program. Mrs. Perry and I attended the New Hampshire Library Trustees' meeting in Concord on May 26th and here we were presented with the second prize — a 15 volume set of Compton's Pictured Encyclopedia, 1961 edition. I cannot tell you how thrilled we were and we want to thank all of you for making the entire program a successful one. The

effects of it have lasted throughout the remainder of the year and I know they will last for a long time to come.

On the evening of July 13th, we held open house to honor the presence of Esther Flint Carter, artist. She was born and lived in this town through her high school years. She came to present to the town one of her paintings. It is a portrait of Linda Stickels of New Jersey. It is called the "Story-Hour." Linda holds a book and dreams of knights and castles which one can see in the background. The portrait hangs over the fireplace in the Children's Room. Everyone is welcome to come in and see it.

I would also like to tell you about the highlight activities connected with my work as President of the New Hampshire Library Association. The annual meeting was held here on May 5th, at the Community Center. Panel discussions, speakers and a business meeting occupied the day. The profit from an attractive sale table of Stuckey's candies, bookmarks and corsages augmented our scholarship fund. Two delicious meals were served by the Ladies' Society of the Federated Church. It was a successful meeting from all aspects.

In June, I attended the combined meeting of the American Library Association and the Canadian Library Association, in Montreal. Here, I met librarians from far corners of both countries. Extensive exhibits of books and other library aids were well worth the price of the trip. A sight-seeing tour was taken and the highlights included the Church of Notre Dame, St. Joseph's Oratory and the Wax Museum.

In October I attended the New England Library Association meeting at the New Ocean House at Swampscott, Massachusetts. The theme of the meeting was "Other Lands—Other People." The Adult Education committee of which I was a member, staged a most interesting program on Africa, based upon our own awarding winning National Library Week program. The purpose of the program was how to interest our public in "Other Lands—Other Peoples" with library materials. Our program featured the use of books, films and records.

I have also served on the State Committee for National Library Week and the Advisory Committee for the special Library survey that is being conducted by the University of New Hampshire's Public Administration Service and the State Library Commission.

It has been a busy and interesting year. I have profited much from all of the above activities and have enjoyed meeting new people. It has enriched greatly my work as your librarian.

REPORT OF AN AUDIT AND EXAMINATION OF THE ACCOUNTS OF THE TOWN OF WINCHESTER

FOR THE FISCAL YEAR ENDED DECEMBER 31, 1960

Winchester, New Hampshire
February 2, 1961

Board of Selectmen
Town of Winchester
Winchester, New Hampshire

Gentlemen:

Submitted herewith is our Report of an Examination and Audit of the accounts and records of the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1960. Financial Statements as hereafter listed are included as part of our report.

SCOPE OF AUDIT

Our examination and audit included the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Departments, Library Treasurer, Trustees of Trust Funds, and Municipal Court.

FINANCIAL STATEMENTS

1. The Comparative Balance Sheets as of December 31, 1959, and December 31, 1960, shows a decrease in the Net Debt of the Town in the amount of \$36,185.70.
2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations in the amount of \$174.62.
3. The Statement of Estimated and Actual Revenues shows a net Revenue surplus in the amount of \$4,642.77. Combining the above two figures results in a Budget Surplus of \$4,817.39 for the fiscal year ended December 31, 1960, as compared with \$1,924.14 for the period ended December 31, 1959.
4. The Statement of Long Term Indebtedness as of December 31, 1960, shows the annual maturities of principal and annual interest requirements.
5. Summaries of all other departments have been prepared and are on file with the Board of Selectmen.

AUDIT PROCEDURE

Vouchers and cancelled checks were compared with supporting invoices and payrolls, as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures were verified. Book balances were verified by comparison with reconciled Bank balances made from statements obtained from depository Banks. Verification of uncollected taxes was made by mailing notices to a majority of delinquent taxpayers as indicated by the tax collector's records.

CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1960, and have found them to be in very good order. To the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the Town for the period under review.

We extend our thanks to the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Very truly yours,

SOPHIA Z. BOYD
ARNOLD B. CONWAY
ROBERT A. SCHAUFUS

ANNUAL REPORT

of the

SCHOOL BOARD

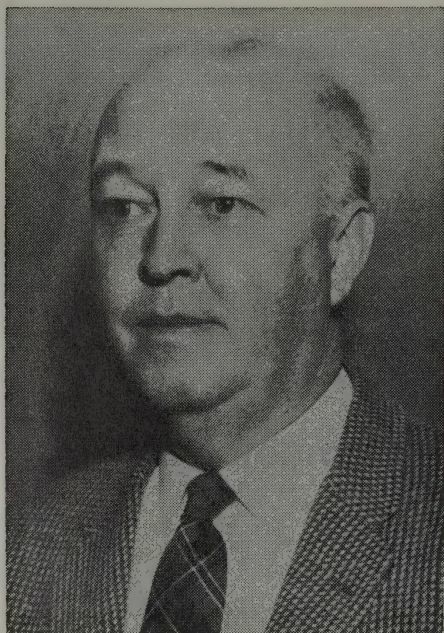

of

WINCHESTER SCHOOL DISTRICT

FOR THE FISCAL YEAR

July 1, 1959 - - June 30, 1960

In Memoriam

CHESTER C. LEES
Superintendent of Schools
1947 - 1961

Chester Lees was dedicated to the belief that every child has a right to the best possible education. In this cause, as teacher and superintendent, he spent his life with enthusiasm and dedication. He never considered his responsibilities as routine, but gave untiringly and zestfully of his time and his talents. He maintained the highest professional relationship between teachers, principals, and superintendent, and was recognized by all as an excellent administrator. Those privileged to work and serve with him knew him also as a genial kindly gentleman. By his own actions he commanded the admiration and respect of all those who knew him.

His untimely death is mourned. Sincere sympathy is extended to his wife and daughters.

He will be remembered for his ability, his sincerity, and his complete devotion to the cause of better education. No words can speak as eloquently as the memory of a life well spent.

REPORT OF THE HIGH SCHOOL PRINCIPAL

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1960-61 as of February 1, 1961:

Seniors	29
Juniors	30
Sophomores	29
Freshmen	32
Seventh Grade	48
Eighth Grade	64

We have been very fortunate this year to obtain the services of a full-time guidance director which was made possible through the aid of the National Defense Educational Act. The director, Miss Betty Vandersluis, has been able to devote full time to a guidance and counseling program and has made considerable progress in testing, placement, college entrance, and counseling.

The usual battery of Pintner Intelligence and Metropolitan Achievement tests were given to the eighth grade in November. The results of these tests will give us tremendous help in making programs according to individual abilities.

Early in the fall the seniors were again given occupational aptitude tests and interviews to help to determine the type of work for which they are best fitted.

Through the guidance program we have been able to help students by the use of the Child Guidance Clinic in Keene and Concord, The Convulsive Disorder Clinic, State Welfare Department, and also Crotched Mountain.

Seven Freshmen and eleven Sophomores have accepted the offer to take the National Educational Development Tests, and fifteen Juniors will take the National Merit Scholarship Tests in March. These tests provide a basis for measuring educational growth from year to year and also serve to identify and motivate talented students. About fourteen Seniors took the Vocational Aptitude Tests last fall and have been counseled regarding the results. All Seniors have taken part in the Air Force Testing Program, and the results will be forthcoming.

The results of last year's National Merit Examination are worthy of recognition inasmuch as Miss Lucy Thompson was given a letter of commendation for her high rating.

On the National Educational Development Tests the students who were over the 90 percentile were: Clarence Fosdick, Marilyn Lang, Marie McLean, and Dale Smith. They received certificates of Educational Development. Four others were recognized for ranking over the 75 percentile.

Three have taken the American College Entrance examination. One has taken the Scholastic Aptitude Test, and two more will take it.

Seven Seniors and three Juniors participated in the Preliminary Scholastic Aptitude Testing Program in October. These test results were interpreted to the students and results sent to colleges. Many scholarships are awarded on the basis of high achievement on this test.

Guidance materials for student use include a complete occupational file describing the requirements, type of work, and training necessary in over 300 occupations. A full set of Guidance Series Pamphlets and Film Strips are also in use pertaining to all phases of a student's life. Recent catalogues from colleges, technical schools, secretarial schools, and nursing schools are also available.

To date, twelve representatives from colleges, technical, secretarial, and nursing schools, as well as the Armed Forces, have visited the school to speak with students.

In an analysis of student test results, the Guidance Department has made recommendations for improvements in our school curriculum pointing out a need for classes in Remedial Reading, Special Education, and a broadening of the Industrial and Domestic Arts Programs.

By the end of December, over 200 individual student conferences were held to assist students with their educational, vocational, and personal problems.

Parent and student conferences make up a very important part of the program and have been very helpful in solving many problems.

The Business Department has made great strides again this year under the direction of Miss Sylvia Lounder.

Special emphasis has been placed on the vocational point of view. This has been very helpful in assisting the students to prepare themselves specifically for what is demanded of them in business.

Business personnel have been invited to speak on actual business situations.

The students have been given actual business responsibilities such as acting secretaries for teachers, getting out bulletins and notices, filing, and keeping the financial records for all the funds of the school.

Two divisions of personal typing have been added to the business curriculum to enable college preparatory students to learn how to type.

The addition of new typewriters has greatly improved our business program. We were fortunate to have the use of a dictating-recording machine for a period of a few weeks which enabled the class to become familiar with some modern office equipment. Very soon we plan to have the use of a calculator for student utilization.

Plans are being made for visitations to business offices in the near-by cities during the spring term.

We owe a great deal to Miss Louder for the wonderful job she has done to bring our Business Department to the top despite the limited facilities.

Through the National Defense Education Act we have been able to acquire a good start in supplying our science laboratory with the proper equipment necessary for a well-rounded program in the field of science.

Improvements have been made in the science laboratory in the form of additional enclosed closets, new water fixtures, electric units, and new gas burners and supply.

It has been made possible under the National Science Foundation Act for our science instructor, Mr. Pratt, to attend the University of Vermont summer session devoted entirely to science study. Through this same act he is attending Dartmouth College on Saturday during the present year and plans to attend another college for further study this summer.

A new portable science lab was purchased last spring for use in Junior High School science classes and has added much to the improvement of science instruction.

Mrs. Gertrude Pearson has come to us as an additional teacher handling some of the Social Studies and English. This has made it possible for us to increase our Junior High classes to four meetings each week and to add an Art Course.

The band has been quite active by taking part in two firemen's parades and have received first and second prizes in conjunction with the Winchester Fire Department. It has also appeared on several other occasions.

The combination band and chorus presented their usual Christmas Concert and are preparing for a spring concert. Plans are under way for another exchange concert, this time with Clinton, Connecticut High School.

Donna Baker has been selected to play in the All-State Band Festival. Arnice Mitchell, William Jackson and Lucie Thompson have been selected for All-State Chorus.

Mrs. Dickinson has started an accelerated course in Eighth Grade math, which will meet once each week. This will be an introduction to Algebra and will give the students an opportunity to qualify for Freshman Algebra next year.

We are in hopes of improving upon the facilities in the Industrial Arts Department. We are badly in need of new equipment, such as is necessary for teaching electricity, sheet metal work, etc.

A tremendous step has been taken in the Language Arts Department by the installation of a new Language Laboratory last spring. This enables the student to learn a language much more rapidly and accurately than the conventional method. Mrs. Marian Smith, our very capable language teacher, has become a master at the operation of this lab and deserves a great deal of credit for its success.

Plans are being made for self-evaluation of our high school this coming year. This is a very intensive study of all the phases of our school by members

of our faculty. The evaluation will be checked by a visiting committee composed of teachers, principals, and college personnel from other schools in New England. This will be a worthwhile study and will enable us to get a true picture of our school operations.

This evaluation program is being carried out under the sponsorship of the New England Association of Colleges and Secondary Schools.

REPORT OF THE SCHOOL BOARD

To the Citizens of Winchester:

We wish to submit the following summary of School District affairs.

STAFF CHANGES:

Thayer High School: There were two additional members added to the faculty last September. The position of guidance counselor, approved at last March's meeting of the School District, was established under the terms of partial reimbursement through the provisions of the National Defense Education Act. MISS BETTY ANN VANDERSLUIS was elected to fill this position. She has a Bachelor's degree from Western College, Oxford, Ohio, and a Master's degree from the University of New Hampshire. MRS. GERTRUDE A. PEARSON, a graduate of Keene Teachers College, was elected as teacher of Social Studies and English. Mrs. Pearson has also studied at Simmons College.

Center School: MISS RUTH J. GRATTON, a graduate of Mount Saint Mary College, Hooksett, N. H., was elected to the first grade position, replacing Mrs. Edythe C. McIntire.

School Nurse: The newly created position of school nurse was filled by the election of Mrs. Irene A. Pratt, R.N. This work had formerly been done by the nurse employed by the District Nurse Association, but this service was discontinued to the schools last year.

ENGELHARDT SURVEY

During 1960 the educational consulting firm of Engelhardt, Engelhardt, Leggett and Cornell of New York, N. Y., surveyed the present school facilities and future needs of our district, as directed by the voters at the 1960 annual district meeting. This survey was carried out in conjunction with similar surveys in five adjoining towns, and recommendations for formation of a co-operative school district combining the nine districts of Chesterfield, Fitzwilliam, Harrisville, Marlboro, Richmond, Roxbury, Swanzey, Troy and Winchester were presented to the voters in November, 1960. Since Winchester rejected this plan, the School Board wishes to re-emphasize the conclusions drawn by the survey. We continue our belief of several years that the school facilities of Winchester are critically inadequate for the education of your children. This inadequacy includes space, equipment, and educational program; and there is no easing of the school population in sight. Dr. Nicholas L. Engelhardt, Jr. had the following to say in the conclusion of the report of his survey:

"Winchester's school facilities are not adequate to house a complete, modern educational program. The Center building should be abandoned. The Thayer school should be enlarged. New rooms for science, languages, library, homemaking, industrial arts, and fine arts are needed. A cafeteria and gymnasium are greatly needed. It is not possible to remedy these deficiencies completely at this time because of the limited borrowing capacity of the town when operating as a separate school district . . . "

PLANT IMPROVEMENTS:

New Classroom at Center School: The space formerly occupied by the superintendent's office on the second floor of Center School was enlarged to provide an additional classroom so that only two other overflow classes are now held at the Community Center.

Fire Escape at Ashuelot School: An outside steel fire escape was erected in 1960 at the Ashuelot School.

Furniture and lighting fixtures: Our program for gradually replacing obsolete desks and chairs and improving lighting in the classrooms is continuing and will near completion in two more years.

In Conclusion, we wish to commend to the citizens of Winchester the fine spirit of cooperation among our school personnel. We can all be proud of their efforts in behalf of the children of Winchester.
